WELCOME HOME.

It is difficult for any of us to fully comprehend, but it has been two-and-a-half years since we last celebrated together at our annual Paramount Gala. Welcome home. We are so very glad to be with all of you once again.

And while the past twenty months have forced us to address the unthinkable issues of isolation, anxiety and loss, tonight we will focus our energy on the perseverance of your support. We will never be able to fully express our

gratitude for what your financial and emotional support allowed us to achieve against the backdrop of the pandemic.

Though it has been hard-earned, we are emerging as a community with a greater appreciation for the preciousness of everything that was almost taken from us and a better understanding of the role we play in improving our community. Here at the Paramount and State Theatres, we have an even stronger dedication and passion for achieving our mission every day.

Tonight we join with you to celebrate all that we have been through and toast to all that we will achieve together in rebuilding our theatres and our community in the year that lies ahead of us.

Cheers.

Welcome home our dear friends.

Jim Ritts, CEO & Executive Director

THANKS TO YOUR 2020-2021 SUPPORT, THE PARAMOUNT & STATE THEATRES NEVER STOPPED OPERATING.

You shared our iconic marquee, filled with messages of hope, humor, and even lyrics pulled from local musicians that became an ongoing dialogue with the Austin community, ending up everywhere from the mayor's cover photo to the national news.

You made space for innovation that allowed us to create OUTDOOR theatre and to produce original digital content via *Paramount Conversations* with thought leaders like Gloria Steinem and our *TEN* music series with Proof Advertising featuring musicians such as Ruthie Foster.

You empowered our Paramount Education team to immediately pivot, turning our Student Matinee field trips into DIGITAL field trips—complete with study guides, a virtual tour, and more—that would reach 37,000+ Central Texas students.

You were with us every step of the way: leading the city in developing Health & Safety protocols to protect patrons, artists, staff, and volunteers as we opened for 25% capacity films, then 50% capacity shows, and, finally, full capacity events this past summer.

In the last 77 days alone, we have produced 141 live shows including the Moontower Comedy Festival and exhibited 41 films including the Austin Film Festival. We would not be here without you.

THANK YOU

THANK YOU TO THE PARAMOUNT
THEATRE FOR KEEPING LIVE MUSIC
GOING FOR THE AUSTIN COMMUNITY.
CHEERS TO A WONDERFUL YEAR AHEAD.

IN Proud PARTNERSHIP WITH

EVERY CAN MATTERS

TROMBONE SHORTY & ORLEANS AVENUE

Trombone Shorty's new album opens with a dirge, but if you think the beloved bandleader, singer, songwriter and horn-blower born Troy Andrews came here to mourn, you got it all wrong. That bit of beautiful New Orleans soul—"Laveau Dirge No. 1," named after one of the city's most famous voodoo queens—shows off our host's roots before Parking Lot Symphony branches out wildly, wonderfully, funkily across 12 diverse cuts. True to its title, this album contains multitudes of sound—from brass band blare and deep-groove funk, to bluesy beauty and hip-hop/pop swagger—and plenty of emotion all anchored, of course, by stellar playing and the idea that, even in the toughest of times, as Andrews says, "Music brings unity."

PRESERVATION HALL JAZZ BAND

At a moment when musical streams are crossing with unprecedented frequency, it's crucial to remember that throughout its history, New Orleans has been the point at which sounds and cultures from around the world converge, mingle, and resurface, transformed by the Crescent City's inimitable spirit and joie de vivre. Nowhere is that idea more vividly embodied than in the Preservation Hall Jazz Band, which has held the torch of New Orleans music aloft for more than 50 years, all the while carrying it enthusiastically forward as a reminder that the history they were founded to preserve is a vibrantly living history.

COREY HENRY & THE TREME FUNKTET

Corey Henry, a native of the musically rich Treme neighborhood of New Orleans, is a trombone player who was nurtured by some of the most important musicians in the Crescent City in the last several decades. His band blends jazz, funk, brass, rock, soul and jam-based music to create a sound that represents a new era in New Orleans music.

NEW BREED BRASS BAND

New Breed Brass Band lives and breathes the culture of New Orleans, infusing funk, rock, jazz, and hip-hop into a custom-made enhancement of the city's second-line brass band tradition.

Krewe of Okeanos Parade

Krewe of Okeanos Parade

Galatoire's

We always kick things off with a party! If you're looking to let the good times roll after this past year, there's no better place to be than in New Orleans, Louisiana! Head to the Crescent City to celebrate Mardi Gras like royalty with the Krewe of Okeanos by riding in their annual Mardi Gras parade. These spots are limited and by invitation only.

Your spot includes special throws like their signature crawfish tray, five different doubloons, glass beaded necklaces with a metal medallion and, of course, special theme beads and plush throws for 2022.

Friday night before the parade, join the Okeanos Krewe at their King's Party being held at the House of Broel mansion on St Charles Avenue in the Garden District. This exclusive party includes an open bar with top shelf spirits, Mardi Gras inspired eats, and a king cake. This party is

also great for parade watching that night.

While you're enjoying your VIP access weekend, you will spend your three nights at Hotel Saint Vincent. This brand-new and much-buzzed-about hotel in the Lower Garden District was developed in a historic building from the 1800s by Austin's own Liz Lambert.

Plan to enjoy some of the best dining with dinner for two at San Lorenzo and Paradise Lounge. Named for the patron saint of cooks, they fuse coastal Italian cooking with regional New Orleans influences. Plus, schedule lunch or dinner at Galatoire's – the famous French Quarter restaurant known for celebrating French-creole fare since 1905. You even get to bring their famous cookbook home with you!

EXPERIENCE

SMALL BATCH TEXAS STRAIGHT BOURBON WHISKEY | 94 PROOF

The relentless Texas heat is brutal. Out here, it's 100 degrees nine months out of the year; hotter inside a steel barn. It might seem crazy to buy the highest quality barrels and torture them in this heat, but doing so allows our bourbon to suck all the flavor it can from our new American oak barrels. As it matures, the bourbon cycles through the wood's pores and crevices, soaking in the sugars from the sap, and yielding an aroma brimming of butterscotch, nutmeg, and vanilla. Notes of fruit dominate the palate, with hints of butter, whipped cream, angel food cake and oak. The finish is smooth, with chocolate and espresso notes. A true tour de force of flavor.

HONEYDEW TEXAS HONEY-INFUSED BOURBON | 80 PROOF

Our award-winning Small Batch Bourbon Whiskey, infused with Burleson's Texas Wildflower Honey, resulting in a smooth, light bourbon with a sweet honey finish. Our Master Distiller transformed used bourbon barrels into small, wooden cubes that were immersed in honey. After fully absorbing it, they were placed in the belly of a stainless-steel tank, letting the bourbon soak up those delicious honey flavors every single day for seven months. Tasting notes of sweet elderberry syrup, yellow-flesh peaches, apricots, white chocolate, and delicious, Golden Texas Honey.

SINGLE BARREL TEXAS STRAIGHT BOURBON WHISKEY | 94 PROOF

The embodiment of unique, authentic bourbon and arguably, the Holy Grail of Custom Craftsmanship. Barrels selected for the program are at least four years old – a year older than most early vintages of the Texas Small Batch Bourbon. Every barrel has its own distinct personality and character. That's the true beauty of Single Barrel. The bourbon has a beautiful, dark copper color and long legs. The nose is more pronounced and delivers butterscotch, oak, vanilla, and nutmeg. This creates a warm and inviting environment, but it's the sweet oak flavor that really drives the taste.

GUADALUPE TEXAS STRAIGHT BOURBON WHISKEY FINISHED IN A PORT CASK | 107 PROOF

Port is a sweet wine with flavors of raspberry, blackberry, caramel, cinnamon, and chocolate sauce. Older, fine Tawny Ports have an even wider array of subtle flavors, including graphite, green peppercorn, hazelnut, almond, butterscotch, and graham cracker. Naturally, these flavor characteristics have great appeal to a bourbon maker. What a tremendous accent such sweet spices might bring to a creamy, buttery straight bourbon whiskey. We would not be denied this bourbon. So Donnis began importing tawny port barrels from Portugal about the same time the original Estacado was released. He was enamored with what the super wet port casks did to

the finish of our bourbon. Port wine is typically richer, sweeter, heavier, and higher in alcohol content. Most would say the same thing about Garrison Brothers bourbon. Donnis discovered that the magic maturation combination was four years in white American oak casks and then two additional years in the tawny port casks. He selected 90 thirty-gallon bourbon barrels that had been originally filled in 2015. The Angel's share losses were about 13 gallons per barrel, meaning there were just 1,530 gallons of bourbon to be used. This liquid was entered into twenty-six 59 gallon port casks in 2019 and is arguably the best bourbon we've ever made.

BALMORHEA TWICE-BARRELED BOURBON WHISKEY | 115 PROOF

This magnificent Texas Straight Bourbon Whiskey is bold but majestically-crafted, having been aged four years in new American white oak barrels, then transferred to a second new American white oak barrel, and aged for one year. Simply put, this 2-time US Micro Whisky of the Year and San Francisco Double Gold winner is bourbon candy in a bottle. Tasting notes of bourbon candy: frozen fudgesicle bars, amaretto coffee, sticky buns, and pecan brittle, thick, white chocolate syrup.

2021 COWBOY BOURBON UNCUT & UNFILTERED STRAIGHT BOURBON WHISKEY | 131.3 PROOF

It takes a special barrel to create a bourbon nectar sweet enough to be enjoyed at such a high proof. The potency normally overpowers the flavor. This ain't the case with Cowboy Bourbon – it's so sweet, the flavor overpowers its proof. And you can thank the Texas heat for that. But as delicious as it all sounds, make sure you proceed with caution; barrel-proof bourbon is not for everyone. It should always be savored in moderation. For something strong enough to run a car engine, the finish is incredibly smooth. While surprising, maybe it ought not be, as that restraint makes it ideal for summertime drinking. This stuff was heat-forged in Texas, after all.

LAGUNA MADRE LIMOUSIN OAK-IMMERSED STRAIGHT BOURBON | 101 PROOF

These French barrels are true works of art – highly sought-after, allocated, and incredibly expensive to boot. Toasting this majestic oak activates unforgettable flavors of woody vanilla, sweet candy cacao and thick, white chocolate that you won't soon forget. The creamy finish of this bourbon is both sensuous and aromatic, like the endorphin-fueled natural high one feels in one's soul while spending a beautiful day away from all the daily stresses life has to offer ... perhaps under early afternoon sunlight, on the first day of spring, when the Laguna Madre shines forth like an azure band of aquamarine beckoning all to come out and play.
